WAKEFIELD TO LONDON 1^{HR} 47^{MINS}

WAKEFIELD'S FLEET

Wakefield station provides connections to London for a significant part of West Yorkshire.

There are currently 32 direct LNER services from Wakefield Westgate to London each weekday, with a fastest journey time of 1 hour 47 minutes on the weekday flagship 'West Riding Limited' service leaving Leeds at 07.00, calling only at Wakefield Westgate at 07.12 and arriving at London King's Cross at 08.59.

As with the rest of the LNER route, Wakefield Westgate is served by LNER Azuma trains - our fleet of 65 state of the art trains offering faster journey times, improved reliability and a new level of customer service and comfort right across the LNER route.

LNER.co.uk

LNER DL FLYER •

A branded LNER flyer making use of illustrated assets

Include a simple station map, highlights of the commute time to London, highlight the multistory carpark near the station and include other statistics and key information.

GREENER AND CLEANER STATION

Improved sustainability of the station. Enhancements will improve energy and water efficiency and enable support recycling of retailer, station and onboard wastes.
